

One Minute Guides - Volunteering

What is being a YJS Volunteer like?

Volunteers give whatever time they can give depending on their own commitments and the YJS offers a flexible approach to this. There are opportunities across North Yorkshire. As a volunteer we offer you comprehensive training programmes and quality support and supervision, so you can make a real difference to the lives of young people.

What roles can I do?

There are a number of key roles that you can do as a YJS volunteer including being a Referral Order panel member, an appropriate adult, supervising reparation and being a mentor. All roles give you the opportunity to apply your skills at changing vulnerable young people's lives. No two days are the same volunteering with the YJS.

How can I get involved?
